VIOLATORS INDICTED

Virginia Anti-Bucket Shop Laws Disregarded by Speculators

SIX ARRESTS ARE MADE

Are Members of Baltimore and Norfolk Firms—Greensboro Man Also Indicted—Marginal Sales on Cotton Is Charged.

(By Wire to the Morning Star.)

Norfolk, Va., July 6.—Charging violation of the Virginia anti-bucket shop laws, the grand jury today returned six indictments against Price & Co., a Baltimore corporation; H. E. Boykin, of Norfolk, Va.; Julian Price, of Greensboro, N. C., and R. B. Daughtery, Portsmouth, Va., trading as H. E. Boykin, & Co., of Norfolk. The specific charges are that the defendants made marginal sales on cotton in 50 bale lots.

Boykin & Co., are the local agents of Price & Co., of Baltimore. H. E. Boykin and R. B. Daughtery were arrested this afternoon upon bench warrants and bailed in the sum of $1,000 each for their appearance before Police Justice Simmons tomorrow. The maximum penalty that may be imposed upon conviction of the offense alleged is 12 months in jail and a fine of $1,000.

Baltimore, July 6.—W. B. Price, head of the brokerage firm of Price & Co., incorporated, of Baltimore, the concern indicted at Norfolk, Va., for alleged violation of the anti-bucket shop law of that State, would not discuss the case today beyond saying that his company had no agents or representatives outside of Baltimore and that he was at a loss to understand how it could have been indicted.

RURAL LETTER CARRIERS

Adjourn Two-Day Sessions in Charlotte—Election of Officers.

(By Wire to the Morning Star.)

Charlotte, N. C., July 6.—After being in session the past two days the North Carolina Association of Rural Letter Carriers adjourned this afternoon with the election of officers as follows: Mr. Thomas V. Howell, of Peachland, Anson county, president; Mr. B. F. Hester, of Granville county, vice president; Mr. J. W. Brooks, of Person county, secretary and treasurer; Mr. D. N. Hunt, of Granville county, chaplain.

A tender memorial service was held this morning in honor of Carriers A. J. Hunter, of Charlotte, and Thomas William McCard, of Robeson, who passed away during the year. Mr. McCard was the father of the rural carriers organization in Robeson out of which the State Association grew.

President C. H. Baines' annual address laid emphasis on the benefits of organization and traced its history in this State; paid high tribute to Editor E. D. Pearsall, of the R. F. D. Column; recommended mutual insuanrce and asking that delegates to the Rochester National convention be asked to lend their aid toward securing a suspension of the R. F. D. service on Christmas Day. Members were urged to assist in the good roads movement and the adoption of a State organ was later acted upon by the selection of the Charlotte News and Times-Democrat. Raleigh was unanimously chosen for next meeting place.

STATE BOARD IS ENJOINED

Restrained From Putting Into Effect Oil Regulations—Elizabeth City Attorney Sued—Naval Militia Company Disbands.

(Special Star Telegram.)

Raleigh, N. C., July 6.—United States Circuit Judge Prichard grants a temporary restraining order against the State Board of Agriculture, restraining the Board from enforcing the regulations for the illuminating oil inspection until a hearing August 2nd, in the suit of the Red C. Oil Company, vs. the State Board.

The order leaves in operation the one-half cent per gallon tax prescribed in the act but suspends the application of the flash heat test and all other regulations of the inspection system. The effect is that the independent companies will be enabled to meet competition of the Standard Oil Company and its immense tank storage of oil that escapes inspection until October 1st.

Charging misconduct and malpractice as counsel in secretly representing alien interests in litigation involving extensive timber lands in Dare county, Andrew Brown, of New York, institutes in the United States District Court here a suit against E. F. Aydlett, of Elizabeth City, claiming double damages. The complaint sets out the features of litigation in which Mr. Aydlett represented Andrew Brown, and charges that while thus retained he maintained relations with A. J. Brown, of the Elizabeth City Lumber Company, and other interests representing them secretly in making inroads in timber holdings Andrew Brown was paying him to defend.

St. Paul's Methodist church, colored, valued at $60,000 and said to be the handsomest negro church in the South, was burned late last night as the result of a fireworks balloon sent up and lodged in a gutter on the roof. The fire department had just been called to the southeastern part of the city and the church was enveloped in flames before the firemen could arrive. There was $21,000 insurance on the building and already subscriptions have been started for rebuilding.

Adjutant General Armfield, of the National Guard, issued today orders disbanding the Beaufort company of naval militia for being below the standard of efficiency and substituting a new company just mustered in at Oriental, designating it as the Sixth Division, North Carolina Naval Brigade. The division was recently inspected by Col. H. D. Harper.

Charters were issued today for The Charlotte Box Manufacturing Co., $25,000 capital for making boxes, furniture and dealing in timber, incorporators C. L. Everhart, H. C. Everhart, Taylorsville, and C. F. Hinkle, Lexington, and The Taylor Drug Co., McAdenville, capital $5,000 by Dr. G. W. Taylor and others.

HONORS CAROLINA HERO

Monument Unveiled at Burnsville to Captain Otaway Burns.

(By Wire to the Morning Star.)

Charlotte, N. C., July 6.—In a secluded nook in the Blue Ridge Mountains near Burnsville, this State, yesterday, the North Carolina Masonic Grand Lodge unveiled a monument to Captain Otaway Burns, hero of the war of 1812. The monument was erected by Walter Francis Burns of New York, a grandson, and was unveiled by Otaway Burns, fourth, a great grandson.

THAW REMOVED FROM ASYLUM

Scored a Partial Victory in Hearing to Determine His Sanity—Leave Matteawan in Custody of a Deputy.

(By Wire to the Morning Star.)

White Plains, N. Y., July 6.—Counsel for Harry K. Thaw, under confinement at the Matteawan Asylum for the criminally insane, for shooting Stanford White, today scored a partial victory in the hearing to determine his sanity held before Justice Mills, by obtaining from the court an order removing Thaw from Matteawan and placing him in the custody of Sheriff Schert, of White Plains, until the hearing is concluded.

Only two witnesses were examined today. The first, former Governor Stone, testified that as counsel for Thaw in bankruptcy proceedings, he had had occasion to observe his client closely and that in many conversations and conferences he had had with him, Thaw had shown uniform rationality and intelligence.

The other witness, Robert Good, a glass manufacturer of Poughkeepsie, testified that he had met Thaw at the time of his incarceration in the Poughkeepsie jail and that he had had occasion to visit him on an average of twice a week. Thaw, he declared, had shown no evidence of unsound mind.

The hearing was adjourned until Monday when both sides will submit expert testimony.

Thaw, who appeared the picture of health, was accompanied in court by his mother, Mrs. Mary Copley Thaw, his sister, the former Countess of Yarmouth; his brother, Josiah Thaw; Charles Morschauser, his counsel, and Roger O'Mara.

PEACE CELEBRATION

Marked 300th Anniversary of Discovery of Lake Champlain.

NATIONS HONOR CHAMPLAIN

ePrsident Taft and Ambassadors Jusserand and Bryce Were the Principal Speakers—Celebration International One.

(By Wire to the Morning Star.)

Blue Point, N. Y., July 6.—With the arrival of President Taft, Ambassador Jusserand, of France, Ambassador Bryce, of Great Britain; Secretary of War Dickinson, and Vice Admiral Uriu, of Japan, the celebration of the 300th anniversary of the discovery of Lake Champlain today took on international scope.

Ambassadors Jusserand and Bryce and President Taft all committed their respective countries to policies of peace. In the shadow of an old fortress which had witnessed some of the bloodiest battles in all history, they expressed the hope that never again would the peace of the great nations of the world be interrupted by war.

The President and the Ambassadors and the members of their staffs were shown through the historic ruins of the old "Ti" as the natives call the stronghold, which is now in course of restoration. There was historic interest in the old place, alike for the representatives of Great Britain, France and the United States, for the rocky promontory was held in turn by the French, the English and American Revolutionists. Some of the old cannon were in place today and hundreds of rusty relics were on view.

Below the fort on the placid waters of the lake, set among a flotilla of modern vessels, was a reproduction of Champlain's little caravel, the De Don Dieu.

Tomorrow the scene of the celebration shifts to Plattesburg where the President again will make a brief address and where Senator Elihu Root will deliver the historical oration of the celebration. Mr. Taft will take back with him to Washington several relics from "Old Ti," among them being an ancient key and the head of an Indian tomahawk.

Ambassador Jusserand today was most felicitous in his expression of peace and good will toward America, toward Great Britain and toward all the world.

Ambassador Bryce took up his theme and declared that although he was surrounded by martial scenes and men of arms he himself was a man of peace.

President Taft, speaking next, also took up the theme of peace. "As I sat here listening to the interesting remarks of the Ambassador from France and the Ambassador from England," he said, "I could not but congratulate the United States on the implied compliment that those two countries had paid to her by sending here, as the personal representatives of their respective chief executives, men so distinguished in literature, in history, in statesmanship and in diplomacy.

"The States of New York and Vermont were most fortunate in being able to find a place upon which three nations could celebrate the past with entire consistency and with great joy, because, exercising proper discrimination, they can find deeds of valor and success for each nation on every spot about this lake.

"Champlain was a man whom all nations can honor. He is not a man with respect to whose history you have to pass over something in silence. All his life could bear the closest examination, and he brings out in the strongest way those wonderful qualities, shown in the 15th, 16th and 17th centuries, by Spaniards, Englishmen, Frenchmen and Portugese, who braved those dreadful terrors of the sea, circumnavigated the globe in little cockle shells and carried the standard of the then civilization in the farthest forests and into the dangers of the most distant tropics.

"There are other ways of conquering a people than merely by guns. This valley has furnished almost as much of a battle ground for the three nations and the Indians who were on all sides, as Belgium in Europe.

"I echo and emphasize the statements of the two Ambassadors and repeat their prayer that never again may this great valley be given a name in history by reason of its being the seat of a bloody war."

Governor Hughes and Governor Prouty spoke briefly at Ticonderoga where the Indian pageant was repeated tonight. The President will see this pageant on Thursday.

CONGRESSMAN CUSHMAN DEAD.

Representative From Washington State Succumbs to Pneumonia.

(By Wire to the Morning Star.)

New York, July 6.—Francis W. Cushman, representative in Congress from Tacoma, Wash., died this morning in Roosevelt Hospital from pneumonia. At his bedside at the time were, beside the doctors and nurses, United States Senator Samuel H. Piles, of Washington, and Andrew S. Burleigh, of this city, a life long friend.

TARIFF ON TOBACCO

Aldrich Bill Now Nearing Completion in Senate.

SENATON DANIEL ON ALERT

Fninance Committee Called Down For Ignoring Minority — Simmons Complains That No Hearing Was Given His Constituents.

(By Wire to the Morning Star.)

Washington, D. C., July 6.—Completing the tariff bill in the Committee of the Whole, that measure was today reported to the Senate, so that legislation providing for customs duties is now regarded as on the home stretch.

The session was brought to a close temporarily by a motion to adjourn for the day to afford Senators an opportunity to look over the re-print of the bill before taking further action. The adjournment was with the understanding that when the body reconvenes all sections of the bill that Senators do not desire to reserve for further amendment shall be agreed to en bloc.

The Senate will then consider the tobacco tax, the only amendment not adopted in the Committee of the Whole. The Senate jogged along in uneventful fashion today until Senator Smoot stated that he had an amendment recommended by the Committee on Finance fixing duties on tobacco. He sent it to the desk to be read.

This preliminary proceedure concluded, Senator Daniel of Virginia, ranking minority member of the Committee on Finance, disputed the statement of the Senator from Utah that provision had been recommended by the committee. He characterized it as another "bogus committee amendment," stating that the minority members of the committee had never seen it until it had been completed.

Mr. Daniel then offered a resolution declaring that every member of the committee appointed by the Senate has the right to be notified of all meetings of the committee to which he belongs, and the right to vote upon every proposition refered to the committee by the Senate.

"The five Democratic members of the Finance Committee," he said, "feel that they had the same right to attend meetings of the committee as they have to attend the meetings of the Senate." He would, he said, ask an aye and no vote upon the resolution at the proper time.

Mr. Aldrich suggested that the record be changed to make it appear that the amendment was reported by Mr. Smoot and not by the Committee on Finance, in order to meet the criticism of the Senator from Virginia.

Objecting to such a change, Mr. Culberson insisted that was not the way the objection on the Democratic side should be met.

Mr. Simmons complained that some of his constituents had had no opportunity to appear before the Finance Committee to state their views on the tobacco tax. "The tobacco interests," he said, "have practically had no investigation into this matter at all."

Mr. Aldrich said he would call a meeting of the Finance Committee tomorrow morning to give the minority members an opportunity to express their opinions upon it.

It was agreed that the tobacco amendments offered by Mr. Smoot would be printed, that a meeting of the Finance Committee would be held tomorrow morning for all of its members and that the tobacco tax would not be considered until tomorrow.

The tariff bill was then reported from the Committee of the Whole to the Senate.

The tobacco tax as introduced from the committee today retained the existing rate of $3 per thousand on cigars weighing more than three pounds per thousand, but added a proviso increasing the tax on high grade cigars. This proviso fixed a tax of $6 per thousand when the wholesale price is between $75 and $110.

Where the price was more than $110 the tax was fixed at $9 per thousand. On cigars weighing three pounds or less per thousand the House rate of $1 was reduced to seventy five cents per thousand.

On the rate on cigarettes weighing more than three pounds per thousand, the House rate of $3.60 was retained, but on those weighing not more than three pounds the House rate was reduced from $1.50 to $1.25 per thousand.

The use of coupons or any form of premium slips in packages of tobacco is prohibited by a new section of the bill. This section is considered to be broad enough to prohibit all forms of trade stimulants through the promise of gifts, and will apply to retail sales of cigars from boxes as well as to the placing of certificates in packages.

The laws governing the sizes of packages of cigars are re-enacted. Additional sizes of packages of smoking tobacco are permitted by the Senate amendment. It is provided that the new taxes shall not take effect until July 1, 1910.

Among amendments agreed to today was one which exempts labor or-

MEETING IN ASHEVILLE, N. C.

Hardware Association of Carolinas and State Firemen—Latter Elect Officers and Will Meet in Newbern Next.

(Special Star Telegram.)

Asheville, N. C., July 6.—Asheville is entirely given over in body and spirit to the hardware men and the firemen and is extending her full hospitality to those of these State organizations.

The Hardware men opened their sessions this morning at the Battery Park hotel surrounded by exhibits by manufacturers from all parts of the country. The meeting was called to order by G. L. Green of this city. The address of welcome was given by William J. Cocke, also of Asheville. It was a very hearty welcome which he extended to them from the city. The response was made by E. Walker Duvall, of Cheraw, S. C., president of the association. He spoke of the great amount of good the organization had accomplished. The response for the Association was by M. C. Thompson, of Charlotte, the other speaker of the morning being R. R. Williams, of New York, editor of the Iron Age. He spoke of the manufacturing art.

More than five hundred delegates are here for the firemen's convention and each town is confident of carrying off a prize in the tournament. The convention was called to order this morning by President McNeill, of Fayetteville. The address of welcome was by S. G. Barnard, ex-chief of the local department. Responses were made from all parts of the State including Chief Clark, of Southern Pines, and Insurance Commissioner Young. He discussed the building inspection laws and the relief fund.

The afternoon session of the firemen was given over to the reports of the officers and a discussion as to the use of relief funds. President McNeill took an active part in this discussion. The report of Secretary Miller, of Concord, showed a membership of 89 companies and 1,249 men representing 42 cities and towns. The report of the treasurer, R. G. Taylor, of Winston-Salem, showed a balance of $782.69. The reports were referred to the auditing committee. The members were then guests of the Tahkeostee Club where refreshments were served.

The hardware men at their session in the afternoon listened to a very interesting address by W. S. Hall, of Gaffney, on collection of debts by law. The main feature of the convention is the large number of exhibits. There was no evening session of the convention.

The firemen at their evening session elected the following officers: James D. McNeill, president, Fayetteville; first vice president, A. H. Boyden Salisbury; second vice president, S. G. Barnard, Asheville; secretary, J. L Miller, Concord; treasurer, R. G. Taylor, Winston-Salem; W. P. Monroe, Wilmington, statistician. The matter of a fire insurance company was left to a committee with power to act. Tomorrow the races will begin over which there is much enthusiasm. The convention decided to accept the invitation to meet at Newbern next year.

Lynchburg, Va., July 6.—Reports from a country roadside duel Sunday afternoon in Nelson county, in which John McCallum, a farmer, shot and instantly killed L. A. Astrop, a merchant of that county, reached here this afternoon.

MRS. THOMAS GETS DIVORCE

Daughter of Wealthy Atlantian Alleged She Was Drugged and Forced to Marry Chauffeur Under Threat of Murder.

(By Wire to the Morning Star.)

Atlanta, Ga., July 6.—In spite of attempts to keep it secret it was learned that Mrs. Silvey Speer Thomas was granted a verdict of divorce in the Superior Court here yesterday.

It was last September that Miss Speer, daughter of W. A. Speer and prominent in local first family circles, eloped with her chauffeur, Russell J. Thomas. Her parents pursued the couple, had them detained and carried off the bride of a few hours. She was spirited to New York and thence to Europe to escape the search of her youthful husband. The latter has brought suit against his father-in-law for alienating his wife's affections.

In a statement signed by Mrs. Thomas, she said that young Thomas made love to her but she resented it. Next he told her that unless she married him, he would kill her father. She averred that upon the day of their elopement, September 28, Thomas' father telephoned her that unless she came to Marietta and married his son, her father would be killed. She went to the place agreed upon and was very nervous. The elder Thomas, she asserts, gave her a tablet and after swallowing it, she claims she did not remember what happened except in a dazed way. She believes now that she was drugged and that while in this state she went through a marriage ceremony.

Fayetteville, N. C., July 6.—The Wilmington Sailors defeated the Highlanders 3 to 1 today by hitting the ball at the right time. The locals made an exciting finish threatening to tie the score in the ninth inning by bunching hits with errors but the side was retired on an attempted steal and an infield out.

The Sailors scored in the first, fourth and eighth. Hemp led off in the first with a single, reached third on an error and scored on Brodie's hit.

In the fourth Brodie started with another bingle, went to third when Schumaker threw to the coach, scoring on the throw to second.

The third run was added when Smith singled in the eighth, was sacrificed and crossed the rubber on Levy's hit for two bases.

In the last half of the ninth Clemens led off with a single, took second when Levy threw wild to first and scored on Sharp's error after Schumaker had flied out. McKernan was called out stealing and Guerrant went out from second to first.

Question of Percentage.

Wilson, N. C., July 6.—There was no game here today on account of rain, but a double-header will be played with Rocky Mount tomorrow.

J. C. Eagles, one of the directors of the Eastern Carolina League, says Wilson should be credited with one more game; that at a business meeting in Fayetteville it was decided that all games should count and that there should be no exhibition games; that Wilson's percentage should now be .625 instead of .615. The by-laws of the Eastern Carolina League say there are to be no exhibition games. The same rule applies with all protected associations. Please correct; put Wilson on top and all will be well.

ONLY THE BRYAN PLAN.

Even that oracle of Republicanism, the New York Tribune, endorses the steps taken by President Taft's administration to punish the Sugar Trust for its criminality. The Government's suit is not a trust-busting stunt but one to get at the perpetrators of the evil deeds done in the name of the American Sugar Refining Company. The aim is to make the guilty parties suffer and at the same time visit a penalty upon the Trust whose great wealth enables its henchmen to lay their criminal schemes and successfully carry them out.

This action of the Government in going after the really guilty parties instead of the inanimate Trust is but following out the suggestions so vehemently made some 12 years or more ago by the Hon. William Jennings Bryan. Mr. Bryan boldly took the position that to punish a Trust the men who are authors and executors of the methods followed by the Trusts, should be put in jail, but the advocacy of such a thing by the Democratic candidate was sufficient to cause him to be regarded as too extreme, unwise and dangerous. Now the Taft administration, taking advantage of the prodigious failures of the Roosevelt administration, are adopting the Democratic way of getting at the bottom of trust deviltry.

While the Tribune now endorses this drastic step by the Government, it apologetically takes the ground that the reason it has never been done before was because no such a case as that against the Sugar Trust has ever come up. We fear, however, that the Tribune has not carefully looked over the numerous indictments under the Roosevelt administration, or else it could have seen that the methods of the Sugar Trust were not confined to that great combination in restraint of trade. Here is what the Tribune says:

"The reason always assigned, and doubtless with propriety, for the failure of the government, despite its many successful actions under the Sherman law, to 'put one really responsible man in jail,' has been the difficulty of obtaining from a jury a verdict of personal guilt in forming a combination in restraint of trade. In general the acts performed in creating such a combination have not been of an inherently immoral or criminal character, and, though under the law an indictment would lie, it has not seemed worth while to attempt to enforce individual criminal responsibility. If, for example, some financiers form a holding company against the law, it may be comparatively easy for the government to prove that such a combination is in restraint of trade and to have it dissolved, but it would be impossible successfully to prosecute personally the incorporators of the holding company, unless in forming their combinations they were guilty of some unquestionably flagitious act. At any rate, that is supposed, and probably rightly supposed, to be the present state of public opinion, and it has made individual prosecutions seem a wasteful expenditure of the energies of the Federal Department of Justice. The Sugar Trust case, in which Federal indictments have now been found against not only the corporation but the directors individually, is doubtless held to differ from other cases under the Sherman act in this respect."

This is a nice way to get out of it instead of "acknowledging the corn" that one more suggestion of Bryan has been adopted as the most effective way of dealing with trusts.

TREAT THE VETERANS AS HEROES.

The Newbern Daily Journal of Tuesday contains an item which arouses sad reflections and should appeal to the people of the great State of North Carolina.

Yesterday's Journal make this note:

"Applications were received at the court house yesterday from State pensions and there were a few battle-scarred Confederate veterans on hand to ask for public aid. As the years go by, the number of these old soldiers are growing rapidly less, and the feebleness and decrepitude of some of them now is pathetic."

It is indeed a sorrowful spectacle to see the gallant followers of Lee and Jackson now looking for a pittance to relieve the wants of their last days. The State should adopt some systematic and effective method of taking care of the veterans who are on their last legs, and even if the pensions are little or much they should be delivered to the heroes and not retained at the court house, making it necessary for the old soldiers, yet proud and brave, to present themselves like mendicants for a hand-out. The pensions should be carried to the veterans and placed in their hands, not as State aid, but as only a partial tribute of a grateful people to the soldiers whose battles made their fame ring around the world and whose deeds of valor and heroism make this a glorious land.

NO USE TALKING.

"So far we have very little to say about the so-called tariff debates in Congress," remarks the Chareston News and Courier, "because we have counted confidently upon President Taft's vetoing the bill. That is about the only way he can make his official action agree with his ante-election promises."

We might also say that his recent speech at sounding a note of warning to the Republican party might furnish sufficient notice to a Republican Congress that the President will not stand by its tariff legislation. However, talking and actions are two different things, and we rather think that the President will be content to justify his approval of the bill because it provides for an inquisitory tax on corporations and takes steps towards an amendment to the constitution to clear the track for an income tax.

NEVER TOUCHED US.

This we get from the Charleston News and Courier of yesterday:

"Those North Carolinians who have been boasting about 'first at Bethel and last at Appomatox' will be distinctly shocked by a statement contained in the Diary of Gideon Welles, now running in the Atlantic Monthly. Writing on Saturday, August 22, 1863, Mr. Welles, then Secretary of the Navy of the United States, said: 'North Carolinians are just now beginning to discuss the subject of disconnecting their State from the Confederacy.' That was almost two years before Appomattox. What have our vain-glorious neighbors to say upon this subject?"

North Carolina's record is safe in the hands of Robert E. Lee who was about that time making out reports showing that North Carolina was at the front doing things and not discussing them. Never touched us.

The North Carolina Rural Letter Carriers' convention is being held in Charlotte this week. In Monday's Charlotte Evening News, at the head of a column about the rural carriers, we recognize a cut displaying the unique and striking physiognomy of our old friend, Maj. E. D. Pearsall, of Pender, letter carrier, newspaper correspondent, and progressive citizen. Whenever they pick up "Grand Pop" theyv'e touched a live wire.

The Charleston News and Courier observes: "If you do not know what is meant by poetic license, read an Atlanta paper." That's no joke. We've been expecting a long time to see some vicious paper lose control of itself and indulge in a swat like that of the Charleston paper.

A bill to prohibit any intoxicated person or persons from operating automobiles has been introduced in the Georgia Legislature. It is presumed that few violators of the law will even turn State's evidence if they ever live to tell the tale.

It is now asserted that Governor Joe Brown, of Georgia, writes poetry. If it is the Georgia brand of verse, give the Governor a chance to live it down while he is occupying the executive mansion. He now has the opportunity of his life to reform.

A man named Benjamin Devil is in jail in New York on a charge of burglary. Now if they would corral one of the same family, whose is familiarly known as Old Nick, the whole world would be glad.

"Is marriage a failure?" is a query that is again being propounded. If the groom can make $100,000 by marriage, it will be equal to a failure when the assets can be successfully kept out of the hands of the assignee.

Ex-President Roosevelt gets a dollar a word for what he writes and most of the copy which he turns in advertises himself. He gets well paid for keeping himself in the limelight.

Just because a man hangs around down town and smokes and treats to cigars is no sign that his wife is not at home worrying about how she can get something for dinner.

The Tennessee man who stealthily neglects to dig up his mint bed is only laying up circumstantial evidence against himself.

The die seems to be cast when places like Rye, N. Y., and Champaign, Ill., have gone and voted the dry ticket.

The paramount issue in the next campaign will be the Outs against the Ins.

CURRENT COMMENT.

—Mr. Aldrich has caused the Senate to increase the tariff on lace and embroideries from sixty to rates varying from 70 to 150 per cent. the highest rate falling on the cheapest lace, which nearly all women use. This is an additional burden upon the women of five million dollars, and most of the money goes into the coffers of the manufacturers and not into the treasury.—Raleigh News and Observer.

—A tariff is a tax when collected by the government when the proceeds go into the public treasury; when collected by a private beneficiary and devoted to swelling further the already swollen hoards in private coffers, it is of tax. Under the Aldrich bill the perseven dollars of toll is paid by the American people for every one dollar of tax. Unde the Aldrich bill the percentage of toll is still further raised.—Norfolk Virginian-Pilot.

—"Who will pay the taxes?" ruefully asks the Charleston News and Courier, faced with the prospect of having the county dispensary voted out and the city given up to "blind-tigers" and boot-leggers. From this distance we may not be able to see the conditions plainly, but as a general proposition, and if things in Charleston are to be judged as they are in other States, the taxpayers, the innocent, heedless and long-suffering property owner, will do the paying—that is that part the hard-working tenants do not pay. We shall be interested in the solution of the question our neighbor shall find.—Savannah Morning News.

—The Southern Railway seems to have adopted a different course, and a wise one, with regard to litigation. Some years ago the policy was never to compromise a case in court; fight it out was the motto. The result was that it got badly hurt in every way. We notice, however, that cases are frequently compromised now, of course where the facts are against the company. This is a wise policy. It is not only a direct saving, but places the road in better shape before a jury in other cases. It shows a willingness to do what is right. And it may be stated that the road has been getting some verdicts recently, which is a rarity.—Greensboro Record.

TWINKLINGS.

—"Who's that homely girl you spoke to?" "Sir, that lady has promised to be my wife." "Cheer up. Lots of women don't keep their promises."—Cleveland Leader.

—"Did you have a pleasant time at the picnic, Ronald? I trust that you remembered to Fletcherize, and masticated each mouthful one hundred times." "Yes'm, an' while I was chewin' my first bite the other boys et up all the grub."—Life.

—In a Sheffield school the children were asked to come prepared with the meaning of the word "bachelor" for the next lesson. This was one little girl's confident definition: "A bachelor is a very happy man." The teacher wanted to know more. How did the little girl know that? "Father told me so!"—Tit-Bits.

—"How is Dr. Jones getting on?" "Doing wonderfully well." "Do you suppose he will succeed in carving out a fortune?" "I guess so; he removed the appendix of our wealthiest citizen a couple of weeks ago." "The appendix, eh? What did he get out of it?" "An automobile."—Portland Telegram.

—"When you are late to dinner how do you apologize to your family?" "I don't try," answered Mr. Bliggins; "I plunge into a technical description of the ball game that gets my son so interested and my wife and daughter so mystified that I have the conversation all my own way."—Washington Star.

Take this Piano at a Big Saving

—and Put $113 into Other Things

We've actually revolutionized piano selling by the Ludden & Bates Piano Club, membership in which brings you a $400 instrument for $287, and in addition gives you a musical education absolutely free. This saving of $113 is a result of selling 100 pianos at a time instead of one, you getting the benefit of the consequent reduction in our expenses. There is no complex agreement to enter into; you pay on easy instalments and have the use of the piano from the start.

Do not associate this offer with ordinary sales of "cheap" instruments. The piano we offer does not suffer by comparison with any you may name—for the

Ludden & Bates NEW SCALE PIANO

is a full cabinet grand, with special steel and copper-wound strings, double-repeating action, balanced scale, light, even touch and genuine ivory keys. Rich, full, "singing" tone, possessed only by the best pianos. Beautiful cases of mahogany, walnut or oak. Each piano carries our lifetime guarantee.

Should the head of the family die before payments are completed, we cancel the club contract and make the member a present of the instrument without further obligation. Write us—NOW—for complete details. Address

Singer Talks

The Difference in Sewing Machines

¶ It is a mistaken idea that sewing machines are pretty much alike, when as a matter of fact there is a vast difference.

¶ There is but one machine that sews better than any other—and that one is the Singer.

¶ This is because the Singer idea is *distinctive*—every year shows improvement in that idea.

¶ This is because the Singer factories are not only equipped with tools and machinery better calculated to make good sewing machines than any other, but this equipment is unique and not to be found elsewhere.

¶ This is because a half century has been devoted to training and specializing men, each *to do one thing best* in sewing machine construction. The Singer's superiority—its lifetime-lasting value—does not appear on the surface.

¶ One machine *does* sew better than any other—and that *one* is the Singer.

THE CITY CONTRACT SYSTEM.

(Communicated.)

Wilmington, N. C., July 5, 1909.

The Morning Star:

I hope you will allow me space in your paper, as there has been so much said in regard to the contract system of street cleaning and removal of trash, to say a few words. I, for one, as a citizen and tax-payer, am in favor of the way that will save the city the most money, regardless of any interests of my own, or of the diligent aldermen who are so much interested about it. The Evening Dispatch said Saturday that Mr. Bonitz gave figures wherein he could save the city $3,000 by doing the work by the city force, if so it will be best for the city to do the work by day labor, but he did not give any figures or information at all, only spoke in a vague manner at random, and said he could do the work at a saving of $3,000, but made no explanation whatever why it could be done, but went on to say that it was hard to get at, as there were so many little things in other departments to do, such as hauling hay to the police horses, and terra cotta pipe for ditches, and so on. That is, material that is always delivered by our own people, when it is bought from them. This material is bought out of the city, very often.

Now, I hope that the city fathers will see that it does not cost $8,000 or $10,000 to haul a few bales of hay a few joints of pipe and a few brick when all this material belongs to be delivered by the seller.

The city has advertised for bids two times with the greatest competition and bidding both times, and the lowest bid saves the city about $5,000 per year, which, in two years will be a saving to the city of $10,000. Last year it cost the city $30,000 to do the street work and cleaning, less $11,000 for street material and lumber, which it cost really $19,000 to do the work. Now, they have a bid for $15,000 to do the same work, and the bid to move the trash for $1,000 less than last year with a $750.00 certified check for good faith, and in readiness to put up the bond required for $10,000. Now, if the work is taken from the lowest bidder, who put up the check in good faith, I think, for one, it would be absolutely necessary for the chairman of these departments to be required to do the work for $3,000 less, as he said he could do, and make the duties plain and explicit so they can be defined, and not whip around the bush and ask for an appropriation above what the bid was. I can say, from personal knowledge, that the contract system is considered by all business people to be the only way, to do any kind of work that is possible to do. All the great railroad systems clearly demonstrate that by giving out all work by contract that can be done that way, and they have men of skill and ability, experts at their business, still put it out at contract, in order to save money. The men who have charge of these works are not like some city aldermen, who make statements of what they can do, and then not do it. If they make statements that they can save money, they have it to do, as should our energetic aldermen, who say they can save money have it to do.

In regard to the trash contract being so objectionable, I don't believe it, for I have been told by the best business men in the city, that it had been the best service the city ever had. I think the most kicking comes from old disgruntled politicians, if the truth was sounded. Some of the Board of Aldermen which retired from office in 1907 said they were not able to get the trash out of their own yards, until after it was contracted. In some instances, there were from eight to seventeen loads hauled out of their yards, and there never has been any dissatisfaction, misunderstanding with any city official, either on the old Board or the new Board, either Mayors or Aldermen, Superintendent of Streets, Chief of Police, Superintendent of Health of Health Officers. Now, that some of this Board say they are so much opposed to it, and can't see that it has saved money to the city, when it has saved about $2,000 per year to the city, making a total of $4,000 for the contract term, and receive better services in that line, than this city ever did, is plain to anybody.

On several occasions the Sanitary Committee went over the entire city unexpectedly, at a time when trash was at its worst, and said the city was clean and in the best condition they ever saw it, and were agreeably surprised to see it in such clean condition I write this to let the people see the situation on both sides, as it seems necessary to do.

COUNTY COMMISSIONERS MET

This Year's Meeting of Association of County Commissioners Invited Here—Jury Drawn—Routine Matters Considered.

The Board of County Commissioners in regular monthly session at the Court House yesterday afternoon passed a resolution inviting the County Commissioners' Association of North Carolina to meet here in August, drew the jury for the July term of Superior Court and transacted a large amount of routine business.

Chairman McEachern called the meeting to order shortly after 3 o'clock with all members in attendance, Commissioners W. F. Robertson, H. L. Vollers, J. P. Montgomery and M. W. Divine. The minutes of last meeting were read and approved, after which Chairman McEachern suggested that a resolution be passed allowing the list-takers to list any property not listed during June, which would save time. The resolution was passed and List Taker Bunting was requested to list the property of all those who were present for that purpose from any township in the county. Yesterday was the day for all the list takers of the county to appear before the board and turn over their books, but only Mr. R. N. Sweet, of Cape Fear township, was present. His book was turned over to Register of Deeds Haar.

Geo. Harriss, Esq., presented a petition signed by 47 citizens of Greenville Station asking that the board open a road from Greenville Station through Bagley's field to the turnpike. The property owners through which the road would run have agreed to give the right-of-way. The matter was referred to the permanent road committee for consideration. Mr. Jerre Hewlett asked that the board run the road as was talked of sometime ago. Chairman McEachern stated in this connection that the Castle street road would be completed this week.

Zett Walton, a white man of Harnett township, was placed on the outdoor poor list and will draw $2 a month from the county.

Dr. Wm. D. MacMillan, county superintendent of health, reported five cases of fever at the convct camp; five cases of typhoid fever in the county; 129 patients treated in his office and 11 visited at their homes during June. The county institutions were reported in good condition.

Dr. MacMillan stated that at the last meeting of the State Sanitary Board Drs. Edward J. Wood and Harllee Bellamy, of this county, were appointed as a committee to investigate the cause and ascertain the treatment, if possible, of pellagra, and that the physicians had 27 cases of the disease under their care. He stated that the physicians had progressed so far that he was convinced that they would discover a cure for the disease, though he doubted they would ever ascertain the cause.

Messrs. Bellamy & Bellamy reported that during June $210.77 were collected in back taxes. The superintendent of the county home reported seven white inmates, 14 colored, a total of 21; seven convicts, all colored.

Chairman McEachern read a communication from the president, vice president and secretary and treasurer of the County Commissioners' Association announcing the fact that the annual convention of the organization would be held Wednesday after the first Monday in August, the place to be selected by the executive committee. The chairman, who is a prominent member of the executive committee, stated that he had invited the executive committee to hold the next meeting here and that from the replies already received he thought the invitation would be accepted. On motion of Mr. Robertson, seconded by Mr. Divine, the board formally extended an invitation to the association to come to Wilmington for the 1909 meeting. Chairman McEachern stated that the meeting here would doubtless be of great benefit to some of the members as they would have an opportunity to see what New Hanover county was accomplishing in the matter of good roads under extreme difficulties, and the members who live in counties where roads can be built so much cheaper would very likely begin a campaign in their county for good roads.

The contract for furnishing hay during the month of July was awarded to B. F. Mitchell & Co., and to John S. McEachern Sons for grain.

Mr. Robertson reported that upon investigation it was found that the appropriation of $60 made at the last meeting for strawing the Federal Point road was not a sufficient amount and that it would probably take $20 more. The chairman of the road committee was instructed to have the work done as cheaply as possible.

The report of Clerk Skipper, of the Recorder's court, for the month of June showed that $481.30 in fines and $238.30 in costs were collected.

The jurors for the next term of Superior Court were drawn as follows:

First Week—L. M. Wilson, J. W. Williamson, R. G. Sellers, T. J. Vann, E. J. Grimsley, Jr., J. S. Williams, J. E. Hall, J. W. Willets, William Goodman, L. H. Shew, J. P. Carr, W. J. Mallard, T. E. Sprunt, W. H. M. Koch, N. P. Edwards, John Turner, C. E. Carr, W. H. Best, George Zieg ler, J. F. Blake, Forest Padrick, W. T. Farriss, C. M. Priest, R. T. Sinclair, L. H. Peterson, Robert F. Lewis, Chas. Durham, W. P. Carroll, Wm. Robbins, W. A. Taylor, R. S. Parker, G. F. Hunt, J. W. Kerr, W. H. Chadbourn, Meares Harris, J. M. James.

Second Week—W. G. T. Keen, W. B. Schuler, Obed F. Corbett, D. C. North, E. S. Piver, P. T. Duffie, Thomas Shank, J. H. Westbrook, J. P. Herring, B. P. Strickland, E. L. Heinsberger, J. E. Hines, W. E. Phelps, J. D. Nutt, G. N. Ormsby, R. E. Pitt, A. F. Walton, A. D. O'Brien

At 5 o'clock the board adjourned to meet again at the call of the chairman. The commissioners remained for some time discussing informally a number of road matters.

BEAUTIFUL CHURCH WEDDING

Miss Sue Howard Catlett, One of City's Most Attractive Young Ladies, and Lieut. Hutson Plight Their Troth.

A marriage of much interest to a large number of relatives and friends in this city and elsewhere was solemnized in St. John's Episcopal Church at 9 o'clock last night, when Miss Sue Howard Catlett, the accomplished daughter of Prof. and Mrs. Washington Catlett, became the bride of Lieutenant John Jenkins Hutson, of the United States Revenue Cutter Service, at present one of the most popular and capable officers on the Revenue Cutter, Seminole.

The ceremony was impressively performed according to the beautiful rites of the Episcopal Church by Rev. Dr. James Carmichael, assisted by Rev. Wm. E. Cox, rector of St. John's.

The church, which was artistically decorated with yellow flowers and ferns for the occasion fraught with so much interest for the young couple, was crowded with friends and relatives to witness the nuptial ties. Mrs. H. E. O'Keefe pres'ded at the organ and as the bridal party entered, played Lohengrin's bridal chorus and Mendelssohn's Wedding March was used as the recessional. The bridesmaids and ushers entered first in the following order: Miss Bessie Howard, of Norfolk, Va., with Mr. Willie Watters, of Wilmington; Miss Susie Howard, of Norfolk, Va., with Lieutenant Robert Edwards, of the United States Artillery Corps, stationed at Fort Caswell; Miss Lida Hutson, of Aiken, S. C., sister of the groom, with Mr. Paul Cantwell, of Wilmington. Next came the maid of honor, Miss Nannie Watters, of Wilmington, followed by the bride, who entered upon the arm of her father, who gave her away. Arriving at the altar the bride was met by the bridegroom, who entered from the vestry room with his brother, Mr. T. W. Hutson, who acted as best man. The impressive ceremony was then performed.

The bride, always beautiful, never looked more lovely than on this occasion. She was attired in white satin, embroideried in roses with pearl centres, and wore a tulle veil caught up with orange blossoms. She carried a bouquet of bride's roses. The maid of honor was handsomely gowned in white point de'sprite, trimmed in embroidery satin bands and carried a bouquet of yellow daisies. The bridesmaids were beautifully attired in japonica silk, Princess, trimmed in white lace and carried bouquets of yellow daisies and ferns.

Following the ceremony the bridal party returned to the home of the bride's parents, on Orange street, and a number of relatives and close friends called and extended their felicitations. Mr. and Mrs. Hutson left on the 3 o'clock Seaboard train this morning for the mountains of Western North Carolina, where they will spend their honeymoon of six weeks, at the expiration of which they will return to Wilmington.

The display of handsome and valuable wedding presents attested the popularity of the young couple.

The bride is one of Wilmington's fairest daughters and her friends are limited only by her acquaintance. Her lovely disposition and charming manner make her a favorite wherever she goes. The groom is a native of Aiken, S. C., and has been in the Revenue Cutter Service for a number of years and is one of the most capable and popular members of the staff.

AT THE TARRYMOORE.

Organization of Georgia Firemen at Wrightsville For Outing.

Between 30 and 40 members of the former volunteer fire company of Cedartown, Ga., corresponding in their high personnel to the Howard Relief Company, of this city, arrived yesterday afternoon on a special Pullman attached to the regular Seaboard Air Line train and are comfortably quartered at the Hotel Tarrymoore, on Wrightsville Beach, for their annual outing, which will continue a week or ten days. The gentlemen composing the company are among the leading citizens of their town and it is a pleasure to have them at the beach and all may be sure they will be well taken care of at the Tarrymoore.

On July 14th, the Tarrymoore will also have the pleasure of entertaining another large party of distinguished Georgia firemen, who have retired from the service with the advent of the paid departments. They compose the Rainbow Fire Company, of Rome, Ga., and selected the Tarrymoore and Wrightsville after a number of other resorts were investigated. This was the original fire company of Rome, but when the city grew large enough to support a paid company the old company did not disband, but continued to exist as a social organization, which it is today. Every year this company spends one week at some Summer resort, and this season they are coming to Hotel Tarrymoore.

WILL BUILD CLASS ROOM

Baraca Class Will Erect Addition to Grace Methodist Church.

At a recent meeting of Grace Baraca Class several hundred dollars were subscribed for the erection of a class room, as an addition to Grace Methodist church and its erection will begin in the near future.

It will require $1,000 and over half of this amount is already raised, the amount being pledged by members of the organization and a number of friends. The addition will be on the Fourth street side of the church and will be exclusively for the Baraca class. As soon as the additional amount is raised plans and specifications will be submitted. It will be built of material to conform to that of the church.

IN MEMORIAM.

(Communicated.)

Friday, July 2nd, 1909, as the sun was hiding its face behind the western horizon and the shades of evening spread its wings over our land, the "Angel of Death" entered the home of Mr. and Mrs. S. G. Wooten and took from them their youngest son, S. G. Wooten, Jr., to "a home not made with hands but eternal in the heavens." Though not mature in years, being only 18 years old, he was ready when the summons came. For five weeks he suffered and each day as his strength failed more and the darkness gathered around him, his faith grew stronger. As long as he was able he would call for his bible and read. When he became too weak to read he asked his mother to read for him. Two hours before he died he called her to his bed and with the wasted hand stroked her cheek and said, "sweet mother, you will not leave me," then turned his eyes toward heaven and said, "the grace of God be with you all," and soon his spirit was gone to be with God who gave it. A beautiful life was ended, hopes of fond parents were shattered, and the community mourns. "S. G." was a noble and manly boy in the bloom of life with a bright future unfolding itself before him. He would have entered Davidson College in September, but alas! the Grim Reaper came and plucked the flower as it was beginning to bloom. He is with us no more, but we will ever cherish his memory. He is now resting in the quiet churchyard of the Clarkton Presbyterian church. The many beautiful flowers which cover the mound where he rests, are fitting expressions of love and esteem of many admiring friends. "O. L. C."

FIVE VESSELS ARRIVED

Busy in Marine Circles Along the Wharf—Schooners and Steamer.

With the arrival of four schooners and the Swedish steamer Johanna, Captain Noyberg, from Germany, yesterday proved one of the busiest days in marine circles at the local port in some time past. The steamer brings a cargo of kainit for the Armour Fertilizer Works and the same is being discharged at the Seaboard Air Line.

The schooner Geo. F. Phillips, Captain Gaskins, and Madeleine, Captain Follette, are consigned to the Seaboard Air Line with cargoes of cement; the Victor C. Records, Captain Day, to the Springer Coal Company, with cargo of coal, and the F. & T. Lupton, Captain Longstreet, part cargo of salt to the D. L. Gore Company and coal for the Springer Coal Company. The schooners are to C. D. Mafftt and the steamer to Heide & Co.

GUARD SHOT A NEGRO

Long Term Convict Made a Dash For Liberty and Was Winged.

James Williams a negro serving a term of seven years for horse theft, was shot and slightly wounded by Guard Garner Wagstaff when he made an effort to escape yesterday morning between 11 and 12 o'clock from the county convict force working at corner of 17th and Castle streets.

Guard Wagstaff was between 75 and 100 yards away when he shot at the fleeing convict and this is undoubtedly the reason the shot did not prove fatal. The negro was struck in the small of the back, but the wound inflicted was very slight. He was given medical attention by Dr. W. D. McMillan without removing him from the camp. Only one shot was fired and when Williams fell he made no further effort to escape.

Williams has served three years of his time and was a "trusty." Yesterday morning he was working with five other convicts, in charge of Mr. Wagstaff, when the latter walked off a short distance down the road, and Williams believing he could make good his escape, made a break for liberty. He was moving rapidly when the guard saw him, and would have soon been out of reach. The wounded negro has made a good worker and his effort to escape was rather unexpected. He will be able to re-join the force in a few days.

If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities, strengthens and builds up these organs and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. Robt. R. Bellamy.

Board of Audit and Finance Defers Action on Matter of Removal of Trash and Garbage—Salaries.

In regular semi-monthly meeting last night the Board of Audit and Finance considered at length the matter of concurrence in the action of the Board of Aldermen relative to the removal of trash and garbage from the streets, finally deciding to ask the Aldermen for further information as to the comparative cost of the work under the contract system and under the supervision of the aldermanic committee.

The request of Alderman Bonitz for an appropriation for the streets and wharves department was likewise held up for further information.

The meeting convened at 8 o'clock with Chairman Heyer presiding and Messrs. Cooper, McQueen and Tiencken in attendance. This was the first meeting attended by Mr. McQueen in some time, he having been out of the city, and he was heartily welcomed back into the deliberations of the body.

The Board concurred with the Aldermen in the following appropriations: Horse and buggy for Mayor's use, $300; typewriter for Mayor's office, $100; for surveys and investigation of present sewerage system, $1,000; for repairs on Wright street, between Front and Sixth, $3,000. The board also concurred with the Aldermen in letting the contracts for firemen's uniforms and 37 caps for firemen and policemen. At the request of the Sewerage Commission the board restored $7,000 to the annual budget for water and hydrant rentals. The bond of Col. W. F. Robertson, as treasurer of the water works, for $10,000, with Messrs. Duncan McEachern and M. W. Divine and J. A. Taylor as sureties, was approved, as was also the bond of W. J. Penny & Co., for $600, for furnishing police uniforms. Mr. Thos. E. Cooper is surety.

Mr. McQueen, who was not present when the board shaved down the salaries of city officials and of the Water Commission, stated that he thought these officials should get more money. He made a motion to the effect that the chairman of the Water Commission be paid $1,000 a year and the members $300. The motion failed to meet with a second. His motion to restore the old salaries of the Mayor, treasurer and assistant treasurer met a like fate. Mr. McQueen said that Wilmington, the largest town in the State, should pay its Mayor more money. The other members of the board were unanimous in the opinion that their action in reducing the salaries was right and proper and they did not agree with Mr. McQueen that the amounts paid now were too small.

DISTRICT CONFERENCE SOON.

Methodists Will Meet at Magnolia From July 20th to 23rd.

The sessions of the Wilmington District M. E. Conference will be in progress at Magnolia from July 20th to 23rd and will be attended by a large number of the Methodists of this district. The conference will convene on Tuesday morning with a sermon by Rev. J. J. Barker, pastor of Burgaw Circuit. The first business session will be held Wednesday morning when the recording stewards of the district will submit quarterly conference records for examination.

Revs. T. A. Smoot, of Grace church, and D. C. Geddie and W. C. Merritt have been appointed a committee of examination for candidates to preach, for recommendation for admission on trial and on orders. All local preachers of the District are expected to be present for the renewal of their licenses, or for the passage of their characters.

The conference promises to be an interesting one and Rev. W. B. North, the Conference Sunday School secretary, and Dr. D. B. Zollicoffer, the Conference Lay Leader, are expected to be present and participate in the exercises. Friday of the Conference will be Laymen's Day. The committee in charge invite the representatives of educational institutions, the orphanage and Raleigh Christian Advocate to attend. Rev. Y. E. Wright, of Magnolia, will be pleased to receive word from those who will attend in order that he may provide for them.

Disastrous Fire at Mullins.

Mr. W. B. Cooper, president of the Palmetto Grocery Company, at Mullins, S. C., was notified yesterday that the store of his firm and three others were destroyed by fire early Monday morning, entailing an aggregate loss of between $25,000 and $30,000, practically covered by insurance. Mr. Cooper's firm was fully protected by insurance. In addition to the Palmetto Grocery Company, the stores of Alford Carmichael Company, Mullins Supply Company and E. H. Smith were destroyed by the flamer. The fire started in the store of Alford Carmichael Company and spread rapidly. The buildings were all of brick and were among the most handsome business houses in the town. The stores will be rebuilt at once.

Dr. Foster at First Baptist.

BRIEF SESSION OF ALDERMEN

Regular Monthly Meeting Held Late Yesterday Afternoon—Two Important Ordinances Adopted—Other Matters.

The regular monthly meeting of the Board of Aldermen was held at the City Hall late yesterday afternoon and considerable business was crowded in the brief space of an hour. Among other things the board passed an ordinance fixing the speed of automobiles at 15 miles an hour, except in turning corners, when they must run at a rate not exceeding four miles an hour, and another prohibiting the distribution of hand bills, circulars, medicine, merchandise, etc., in the city without the permission of the Mayor.

The Board met at 5 o'clock with Mayor Walter G. MacRae presiding and Aldermen Yopp, Hinton, West, Bonitz, Ellis, Hall, Stone, Fales and Karr in attendance. After reading the minutes of several recent meetings, Clerk Fowler read a communication from the Board of Audit and Finance concurring in the action of the Aldermen relative to an amendment in the budget, except for Streets and Wharves and Sanitary Departments, which were held open, pending the receipt of bids for part of the work. The Audit and Finance Board took no action relative to the matter of restoring the salaries of city officials, but concurred in the action of the Aldermen in turning over the tax books for 1908 to the city attorney for collection and his compensation was fixed at 10 per cent. on amounts over $25, and at 15 per cent. when less than that amount. The salary of an additional health officer for the Summer months was fixed at $50.

The report of Treasurer Fowler was as follows: Receipts, balance on hand, June 1, $57,739.14; from merchants' license, $10,471.40; market rent, $126.16; pound fees, $3; miscellaneous and extraordinary, $201; dog badges, $906.70; dray badges, $207.80; total receipts, $11,916.06; grand total, $69,655.20. Disbursements, $13,904.70; balance $55,150.50.

The report of the superintendent of health showed that during the month of June there were 76 births, 39 white and 37 colored; 60 deaths, 26 white and 34 colored. Dr. Carroll, reported that during June he made 31 inspections of dairies and dairy farms and found sanitary conditions good. He made 12 tests for butter and with one exception all came up to standard. The one excepted was due to irregularity in feeding and was remedied. Three applicants for sale of milk during the month, one was granted and the other two are pending. He made 606 post-examinations of slaughtered cattle and sheep. A beef from Wallace, N. C., which arrived in bad condition, was condemned.

Alderman Bonitz, of the Streets and Wharves committee, stated that if he could get the material he would soon have the streets of the city in good condition. Owing to the delay in getting material only repair work can be done at present. He also reported that curbing was being put down on Front street.

Alderman Yopp inquired of City Attorney McClammy as to whether the city or the contractor was entitled to the benches being removed from the opera house. Mr. McClammy said they belonged to the city. On motion of Alderman Ellis the board appropriated $100 for the purchase of a typewriter for the Mayor's office.

Alderman Karr stated that since the last meeting he had been in several automobiles and was convinced that a speed limit of eight miles an hour could not be maintained and that he was willing to pass the ordinance introduced at the last meeting fixing the speed limit at 15 miles an hour and four miles an hour in turning corners. A fine of $10 is provided as penalty. The ordinance passed. Alderman Karr introduced another important ordinance which prohibits the distribution in the city of medicine, packages of merchandise, hand bills or circulars, etc., without first getting the written permission of the Mayor and then the consent of the occupants of the property. The ordinance was passed.

Alderman Bonitz asked for an appropriation of $32,316 for the street cleaning in the streets and wharves department and $7,915 for the trash and garbage department. He stated that by combining the two together he was able to reduce the amount asked in the original appropriation for streets and wharves by $6,000. The appropriation for the trash and garbage department includes the purchase of nine mules, $1,800; nine carts, $270; nine sets of harness, $225; nine men, and incidentals, $4,000; keep of teams $1,620.

On motion the appropriation was allowed subject to the approval of the Board of Audit and Finance.

On motion of Alderman Bonitz the clerk was instructed to notify Mr. Oscar Pearsall to fix the street and sidewalk in front of his property, adjoining the Colonial Inn, and the First Presbyterian church to make similar improvements on its property near the manse, and that unless the work is done within 15 days the city will proceed to do it according to law and assess the charges against the property.

Just before adjournment the board granted permission to L. Leon to buy and sell junk at No. 8, Chesnut street, where he is at present doing business.

RECORDER'S COURT

Several Cases Disposed of Yesterday Morning—Fines Imposed.

Recorder Furlong had several cases for his consideration yesterday morning, the most interesting of which was probably the one against Ben Kuhlken, a white man, charged with refusal to assist Officer Howe in arresting Joe Doe, colored, in Brooklyn, one evening last week. Frank Kerr, arrested on the same charge, was tried last week and fined $10 and costs. Kuhlken was found guilty and was required to pay a similar fine and the costs of the case. Marsden Bellamy, Sr., Esq., appeared for the defendant and Herbert McClammy, Esq., represented the State.

The case against Alexander Davis, colored, charged with the burial of an infant without the proper burial certificate, was continued until Friday at the request of the defendant's counsel, L. Clayton Grant, Esq.

Lesley and Mark Winner, charged with destroying tomato and cucumber vines, the property of Captain Thos. McGee, at Carolina Beach, were fined $25 and costs, from which the defendants took an appeal to the Superior Court and gave $100 bonds required. The case was sent up from Justice Bornemann's court.

E. D. Guion and Ira D. Shell, colored, were found guilty of an affray and were fined $5 each and taxed with the costs in the cases.

John Grady, colored, who was arrested Saturday afternoon by Patrolman Leon George on the charge of gambling, was let off with a fine of $10 and costs. The defendant said that the other negroes with whom he was found, had been following him up to gamble because they knew he had money. He said that he had no natural inclination to gamble and worked hard for his money.

Before Justice Bornemann.

Justice Bornemann had a number of minor cases before him yesterday, among which were: Joe Brown, colored, charged with failure to support his wife, not guilty. John Henry Brown, colored, larceny of $4 from Frank Onslow, colored, not guilty. Pinkie Brown, colored, was assessed $6.70 for aiding and abetting her children in fighting the children of Mary Berry, colored. Ivery McClammy, colored, was found not guilty of the charges of larceny and assault preferred against him by Martha Hamonds, colored, and the defendant was released.

OPPORTUNE HITTING

(Continued From First Page.)

and three Sailors purloined on Galvin, while not a one turned the trick on Kite.

Rain held the centre of the stage in Wilson and the National game took a back seat pro tem. Same setting at Raleigh.

Bunched bingles by the Sailors and a small amount of frayed work by the Highlanders is the sum and substance of yesterday's result.

After a short absence spent in trying to put a dent in the Nation's Natal Day wave again resorted to the dope-stick.

Lanky Levy, the King Bee in yesterday's affair, graciously kicked the greased skids to one side and the Sailors didn't do any more fancy sliding.

The various teams in the league are adding new players to their rolls every few days in an effort to strengthen their forces as much as possible in the race for the pennant. Wilson has signed Buckinham, a new twirler, and Raleigh, Yerkes, a southpaw from the North.

On account of the insignificant business in prospect, the Electric Matinee wasn't run yesterday afternoon. If the patronage warrants same being done, the Matinee will take place this afternoon, and it is hoped a large crowd will be on hand to see Wilmington lift the last game.

Wilmington has signed Ed Connelly, a catcher, formerly of the South Atlantic, and Hyamer, shortstop from Michigan, recommended by Ashton. The former will report by Thursday, and the last named left his home town last night to be with the locals by the end of the week.

The locals again gave publicity to their poling proclivities, slashing out eight safeties, four of which bore Messrs' Brodie and Sharp's trademark. Capt. Dick, to keep his hand in, rung up a single, while Handsome Harry made his a double and Nichols his for three stations.

Due to some falling-out with the management Catcher Stephens, of Rocky Mount, has left that team, and Pitcher Smith and Third Baseman Sorrell, whom the first named induced to join the Railroaders when he went with them, have jumped their contracts to join Stephens somewhere in the sticks.

The Richmond Journal of Saturday contained the following dope: "Clarence Barfoot, for several years treasurer of the Bijou Theatre, and incidentally a ball pitcher of much merit, having acted as slabman for many of the more prominent local amateur teams, making quite a record for himself, has, through the instrumentality of Owner Bradley, of the local ball organization, secured a berth with the Wilmington team of the Eastern Carolina League, and will report to that club Monday, July 5th. Barfoot is a young fellow, but 24 years old, is big, and should be able to deliver the goods. His friends think that he will make good. If he does he will add to the bunch of likely ones Richmond has sent to the bushes of Carolina."

According to the latest compilation of team batting and fielding averages, the Sailors lead in club sticking with an average of .204, and tie Rocky Mount and Goldsboro for last place in gardening with .923. Wilmington is the only aggregation with over one man hitting beyond the .300 mark, Capt. Smith bingling .320 with Nichols a close second. Schumaker, of Fayetteville, leads the individual swatting with .326. Nichols leads the local fielding with .986.

THE POLICE EXCURSION.

Annual Outing Tomorrow at Carolina Beach—Donations Are Asked.

The 16th annual outing of the Police Department at Carolina Beach tomorrow promises to be fully up to the high standard of former years and Capt. Harper has kindly placed at the disposal of Wilmington's "finest" four trips of the steamer at 9 A. M., 2:30, 5:15 and 7:30 P. M. with a late boat returning at night. A feature of the day will be the annual dinner always given the force by Capt. and Mrs. Harper. This will be much enjoyed this year and for the large crowd in attendance there will be music, dancing, surf bathing, fishing and other diversions, Chairman E. J. Grimsley, of the committee, has kindly sent to the Mayor, members of the Board of Aldermen, Board of Audit and Finance, Police and Fire Commission and all city officials a cordial invitation to be present.

The police realize not one cent from this excursion but sell a large number of tickets which are principally distributed to the poor of the city, especially women and children, and arrangements have always been made heretofore by donations from merchants and others to furnish them with refreshments for the day, but this year the responses in kind have been very meagre. The committee would appreciate any donations that may be made for this worthy cause and will take pleasure in sending for any donations that may be offered by 'phone to the City Hall.

K. of P. District Deputies.

Mr. Geo. L. Hackney, of Asheville, Grand Chancellor of the North Carolina Knights of Pythias, has announced his district deputies. Mr. T. D. Meares, Jr., of Wilmington, is appointed for the first district; Mr. J. R. Turnage, of Ayden, for the second; Mr. C. E. Weatherby, of Faison, third; Mr. J. A. Sossoman, of Dunn, fourth; Mr. G. M. Folson, of Hamlet, sixth. The appointee for this, the first, district, is a leading young Wilmington attorney, an ardent Pythian and the work in his hands will prosper.

SPIRITS TURPENTINE

—Fayetteville, July 5.—A force of convicts is now busy constructing the railroad from here to Kigwam.

—Salisbury, N. C., July 6.—Senator Overman spent Sunday here, returning to Washington today. He was accompanied by Senator Fisher, of Louisiana.

—Lumberton Robesonian: The two 100-horse-power boilers purchased recently by the town from the Schofield Iron Works of Macon, Ga., arrived Friday and will be installed at once. These replce two 40-horse-power boilers.

—Kinston, July 5.—A peculiar accident occurred at the Kinston cotton mills. Tom McDonald, a boy 12 years old, got his head entangled in the skeins of one of the looms and was whirled about considerably before the machinery could be stopped. Strange to say he was only frightened and skinned.

—Winston-Salem, July 5: Miss Viola Foster, who refused to wed Mr. J. J Davis last week for the alleged reason that her lover was under the influence of strong drink, was quietly married last night to Davis at the residence of Mr. P. C. Harris, a brother-in-law of the bride, Rev. W. M. Robbins, pastor of Grace Methodist church officiating.

—Laurinburg Exchange: Rev. F. M. Shamberger and family have moved to Laurinburg, where they will make their home in the future. Mr. Shamberger was pastor of Edenton Street church, Raleigh, until his health gave way this summer. His many friends sympathize with him in his present condition and give him a hearty welcome here. He has purchased two beautiful residence lots from Messrs. Covington and James, and will build in the near future.

—Winston-Salem, July 5.—Charlie Smith, colored, forty years of age, was fatally injured this morning about 7 o'clock at the plant of the Atlantic Bitulitchic Company and succombed to his injuries this afternoon. Smith was employed at the plant and was engaged in his work, when his overalls got caught and drew his body into some enormous c g wheels. His clothing was almost torn off and several of his ribs were broken. Both arms were broken, his neck badly mashed and a wound made on his head.

—Wilson, July 5.—Whit Lewis, colored, was arrested this morning in Wilson by Deputy George Mumford. He is charged with committing an assault on Annie Battle, colored on or about June twentieth, a few miles from Wilson. A warrant was issued immediately after the occurrence, but the negro has been skipping from place to place ever since—the officers failing to apprehend him until this morning. He will have a hearing before 'Squire W. R. Wood this afternoon or tomorrow morning.

—Greensboro, July 5: Every foot of arable land at The Guilford Battle Ground has been ploughed during the past winter and spring, two-thirds of this thoroughly worked, manured or fertilized and sown to grass, clover and grain. The usual amount of brier cutting, working of avenues, laying pipes and general cleaning up necessary to the keeping of the one hundred acres of land has been done, and in addition about fifteen hundred dollars ($1,500.00) expended by the Guilford Battle Ground Company or caused by them to be expended—a good years' work.

—Mr. Brownson Barton, of Michigan who has been appointed by Maj. W. A. Graham, Commissioner of Agriculture, as State Botonist, Biologist and Plant Pathologist, arrived in the city yesterday morning and has entered upon his duties. His salary is $1,800 a year. Mr. Barton was educated at Mitchigan University and also attended the Canadian University where he lectured as instructor in bacteriology. He has been for some time employed in the Bronx. New York, botanical gardens and comes from that place to North Carolina. He will be especially occupied in the execution of the pure seed law which went into effort on the first of July.

—Morganton, July 5.—The lifeless body of David C. Hutchins, of Yadkin county, an inmate of the State Hospital for the Insane here, was yesterday found dangling from the end of a rope one mile below Drexel in a very secluded spot in the woods near the railroad track. The coroner was notified and an inquest was held and the verdict was death by his own hands. Hutchins was about 48 years old and had been an inmate of the Hospital for about two years. He escaped from the Hospital June 25 and as soon as it was found out that he was gone, Dr. McCampbell sent two attendantst o search for him. After a long search the two men returned unable to find him. Telegraph and telephone communications brought no results as to his whereabouts, and his concealment was a mystery until the ghastly find yesterday.

—Fayetteville, N. C., July 5.—There died here this morning at seven o'clock in St. Luke's Hospital Mrs. Maria Winslow Horne, wife of H. R. Horne, leading druggist of Fayetteville. Mrs. Horne's illness was short only since Friday morning last. The supposed cause of death was heart failure. She is survived by her husband and two grown sons, Warren W. Horne and Samuel R. Horne. Mrs. Horne was the grand daughter of the late Judge John D. Loomer, a brilliant lawyer and State Supreme Court judge whose portrait was lately hung in the Supreme Court room. She was a daughter of the late Warren Winslow, of Fayetteville, member of Congress and acting Governor for a time after the death of John W. Ellis. Mrs. Horne had been for many years a faithful communicant of the Episcopal church. She was a woman of lovely character, fine intelectual endowments and much culture.

WOMAN'S NIGHTMARE

No woman can be happy without children; it is her nature to love them as much so as it is the beautiful and pure. The ordeal through which the expectant mother must pass is so full of dread that the thought fills her with apprehension. There is no necessity for the reproduction of life to be either very painful or dangerous. The use of **Mother's Friend** prepares the system for the coming event, and it is passed without any danger. This remedy is applied externally, and has carried thousands of women through the crisis with but little suffering.

LUMBER AND SHINGLE MILLS

The largest stock of cypress shingles carried in the State. We always have over a million in stock.

We make 13 different grades and sizes, varying from $2.00 to $10.00 per M. Our shingles are recognized in the Northern Markets, as well as in the West Indies, as the very highest standard, both in grade and manufacture. "We have a standing guarantee that " we give (2) good ones for (1) bad one."

Don't buy any shingles that do not have W. W. Koch in large type on every bundle.

We do not dip the ends of our shingles in red ocre to hide windshakes and other defects. Don't buy until you get our prices and compare the shingles. We make and dispose of 20,000 shingles per day.

We furnish all the shingles for the government at Fort Caswell, ours being the only shingles tat stand government inspection.

THE COTTON MARKET.

(By Wire to the Morning Star.)

New York, July 6.—While realizing was very heavy in the cotton market today offerings were well absorbed and the highest prices of the day and season were reached in the late trading with the close very steady at a net advance of 16 to 25 points. The market opened firm at an advance of 5 to 9 points in response to the firm showing of the English market and shortly after the call showed a net gain of about 11 to 12 points on buying orders which had accumulated over the holidays on the bullish Government report of Friday. Realizing was very heavy at this advance, and reactionary sentiment was promoted by the better weather in the South; private cables predicting that English spinners would remain out of the market for spot cotton owing to the advance and short time in Lancashire; and fear that at the new price level, hedge selling against prospective crops might become more of a factor. But offerings were very well absorbed on a scale down and after working off to a net loss of about 2 points the market firmed up on talk of hot winds in Texas, covering by early sellers for a turn and rebuying by old bulls who had taken profits before the close of last week. There was also reports that Continental spinners were buying contracts here through some of the Big Foreign houses and the market in the late trading advanced to 12.33 for October and 12.40 for December with the general list showing a net gain of 18 to 28 points. The close was only a little off from the top under realizing. Southern spot markets officially reported early were 1-8 to 3-4c net higher.

Receipts at the ports today 5,848 bales against 6,014 last week and 8,437 last year. For the week 35,000 bales against 27,706 last week and 33,787 last year. Today's receipts at New Orleans 2,198 bales against 1,743 last year.

Spot cotton closed quiet, 15 points higher. American middling uplands 12.75; middling gulf 13.00; sales 700 bales. Futures opened firm and closed very steady.

THE DRY GOODS MARKET

(By Wire to the Morning Star.)

New York, July 6.—The cotton goods market showed a sharp advance during the day in keeping with the advance in raw cotton. Heavy canton flannels were advanced 1-2c a yard and fine cambrics 1-2c a yard. Many lines of goods had been withdrawn pending a revision in prices. Yarns were marked up 1-2c a pound. Dress goods of a staple character were opened for Spring at advances ranging about 10 per cent. on serges and 15 per cent. on wool batistes. Many large buyers are in the market but they are operating with conservatism.

MARKET GOSSIP.

(By Wire to the Morning Star.)

New York, July 6.—There were hopes indulged in by the professional element in the speculation that today was to witness a revival of active interest in the stock market. That hope was disappointed. The expectation was based on the seeming eagerness of the market to break through the restraints imposed upon it last week by the seasonable factor of dullness. Notwithstanding the progress of last week's import money settlements, the short week and the long holiday, prices had been well maintained. Foreign markets quoted American stocks higher while the New York Stock Exchange was closed. There was nothing to show that important speculative interests were coming into the market.

The opening advance gave place to a reaction but after the advances had been wiped out the downward movement lost force. News developments were favorable to values, and the halting action of the market proved something of a puzzle. A large sentimental influence was exercised by the heavy tone of United States Steel. The selling of that stock was based on reiteration of the previous reports from Paris that the plan to introduce it on the Paris Bourse had been rejected by the authorities. Besides the favorable steel trade reports much attention was given in the financial district to the crop news.

The bank statement, published on Saturday, gave clear evidence of the heavy strain of the July settlements, but the easy tone of todays' market took away any influence from the showing.

The closing tone of the market was uncertain. Bonds were steady. Total sales, par value, were $4,404,000. United States 2's and 3's declined 1-4 per cent. on call. Total sales today were 401,900 shares including tobacco 300, C. & O. 700, L. & N. 200; N. & W. 300; Reading 33,100; Southern Pacific 69,900 Southern Railway 2,500, do pfd 600; Union Pacific 42,100; United States Steel 57,300; Virginia Carolina Chemical 800.

FINANCIAL MARKET.

(By Wire to the Morning Star.)

New York, July 6.—Money on call easy 1 1-2 to 1 7-8 per cent.; ruling rate 1 3-4, closing bid and offered at 1 3-4. Time loans very soft and dull; 60 days 2 per cent., and 90 days 2 1-2 per cent., six months 3 1-4 to 3 1-2 per cent. Prime mercantile paper 3 1-2 to 4 per cent., sterling exchange heavy with actual business in bankers bills at 4.8660 to 4.8670 for 60-day bills and at 4.88 for demand; commercial bills 4.86 to 4.86 3-8. Bar silver 51 3-8. Mexican dollars 44.

BASE BALL

National eLague.

Philadelphia, July 6.—Philadelphia defeated New York today 3 to 1. McQuillan kept the visitors hits well scattered, while the home team bunched hits with Marquard's passes and an error by O'Hara.

Philadelphia ....102 000 00x—3 5 1
New York .....000 010 000—1 6 3

McQuillan and Martell; Marquard, Crandall and Schlei; time 1:40; umpires Kane and Klem.

Chicago, July 6.—Evers and Tinkers' batting was the feature of today's game, the former hitting safely each time up, Tinker getting a double and a triple. Higginbotham was hit only four times. Rain prevented the second game.

Chicago .....100 110 01x—4 10 2
St. Louis .....000 000 100—1 4 1

Higginbotham and Moran; Lush and Phelps; time 1:35; umpires O'Day Emslie.

Pittsburg, July 6.—Pittsburg made it three straight from Cincinnati by shutting out that team today by a score of 5 o 0. Better base running might have given the visitors at least two runs. Phillippe was in good form.

Pittsburg .....401 000 00x—5 7 0
Cincinnati .....000 000 000—0 7 1

Phillippe and Gibson; Ewing, Rowan, Castleton and McLean; time 1:40; umpire Johnstone.

Brooklyn, July 6.—Wilhelm outpitched Ferguson today, holding Boston to three hits. An error by Hummell in the ninth on a dropped throw, gave Beck a chance to kick the ball into right field with Stemm on first base. Stemm scored.

Boston .....000 000 001—1 3 0
Brooklyn .....100 000 10x—2 7 3

Ferguson, Lindaman and Graham; Wilhelm and Marshall; time 1:40; umpires Rigler.

American League.

New York, July 6.—The Philadelphians won their fifth straight game today from New York, the score being 3 to 2. Home runs were responsible for four of the five runs scored.

Philadelphia ....000 210 000—3 11 0
New York .....002 000 000—2 6 0

Morgan and Livingstone; Hughes and Sweeney; time 2 hours; umpires Kerin and Sheridan.

Cleveland, July 6.—Cleveland completely outplayed Detroit today, winning 6 to 0. Summers was hit hard throughout but Schaefer's fast fielding cut off several runs. Young was very effective.

Cleveland .....100 020 30x—6 15 0
Detroit .....000 000 000—0 5 3

Young and Easterly; Summers and Schmidt; time 1:26; umpires Perrine and Evans.

Boston, July 6.—Boston took two close games from Washington today, the first 3 to 2 and the second 2 to 0. Bunched hits and an error won the first contest. In the second, Pape, a new pitcher from Milwaukee, held the visitors to four hits.

Washington ....000 020 000—2 7 1
Boston .....000 300 00x—3 5 3

Gray and Street; Wood and Donahue; time 1:45; umpires O'Loughlin and Egan.

The most important subject before the 25th biennial convention of the Kappa Alpha fraternity which began at Birmingham, Ala., yesterday, with Edward Chambers Smith, of Raleigh, N. C., Knight Commander, presiding, was an extension of the order's territory. Rowan C. Greer, of Memphis, was elected president of the convention.

Life 100,000 Years Ago.

Scientists has found in a cave in Switzerland bones of men, who lived 100,000 years ago, when life was in constant danger from wild beasts. Today the danger, as shown by A. W. Brown, of Alexander, Me., is largely from deadly disease. "If it had not been for Dr. King's New Discovery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough." To cure Sore Lungs, Colds, obstinate Coughs, and prevent Pneumonia, its the best medicine on earth. 50c and $1.00. Guaranteed by R. R. Bellamy. Trial bottle free.

TARIFF ON TOBACCO

(Continued From First Page.)

ganizations, fraternal beneficiary societies and organizations exclusively for charitable and educational purposes from the operations of the corporation tax provisions of the act.

Amendments were adopted specifying Canada and the West Indies among contiguous countries included in the discriminating duty of ten per cent ad valorem on imports not manufactured in those countries and introduced into the United States, and also extending from two to six months in any one year the period during which domestic built foreign vessels may engage in the coast-wise trade. Another amendment relieves the United States from all reciprocal obligations toward foreign nations in the matter of tonnage dues.

Senator Curtis gave notice of an amendment he will propose to the tariff bill providing for a countervailing duty on oil imported into the United States from countries which impose a duty on American oil. The proposed duty is to be one half of the duty imposed by the other country on American oil.

SEARCHED SHIP FOR LING.

New York Police Alert in Efforts to Find Murderer.

(By Wire to the Morning Star.)

New York, July 6.—In the hope of capturing Leon Ling, the accused slayer of Elsie Sigel, the police have just cabled to several cities on the Mediterranean coast and to points through the Suez Canal and Indian Ocean to hold up the German Steamship Helene Rickmers and search it for the fugitive.

A special meeting of the stockholders of the Seaboard Air Line Railway at Baltimore, for the purpose of voting upon the plan of adjustment and deposit agreement has been called for Petersburg, Va., August 4. Stock books of the company will close July 30th.

Sees Mother Grow Young.

"It would be hard to overstate the wonderful change in my mother since she began to use Electric Bitters," writes Mrs. W. L. Gilpatrick of Danforth, Me. "Although past 70 she seems really to be growing young again. She suffered untold misery from dyspepsia for 20 years. At last she could neither eat, drink nor sleep. Doctors gave her up and all remedies failed till Electric Bitters worked such wonders for her health." They invigorate all vital organs, cure Liver and Kidney troubles, induce sleep, impart strength and appetite. Only 50c at R. R. Bellamy's.

Everyone would be benefitted by taking Foley's Orino Laxative for stomach and liver trouble and habitual constipation. It sweetens the stomach and breath, gently stimulates the liver and regulates the bowels and is much superior to pills and ordinary laxatives. Why not try Foley's Orino Laxative today? Robt. R. Bellamy.
